Newark Vintage Tractor & Heritage Show 2025

Dear Club Member

The Committee would like to invite you to join us on the Club Stand at the show on **8th & 9th November 2025** at the Newark Showground.

The Organisers are celebrating 7 classes with key anniversaries this year:

- 100 years of Caterpillar (1925 – 2025)
- 80 years of the Field Marshall Series One (manufactured 1945-1947)
- 80 years of the Fordson Major (E27N) (manufactured 1945-1952)
- 60 years of Zetor imported into England (1965-2025)
- 60 years of Cummins Engines
- 160 of Gardner Engines
- A celebration of Potato Implements and Handling Equipment

Also:

- 180 years since Ransome, Sims and Jeffries started manufacturing at their Orwell Plant, Ipswich
- 50 years of the Ford Series D Lorry

We as a club, are also marking **40 years of the forming of CASE IH**.

I am hoping to build on the successes of previous years and would ask you all to support me in filling up the centre green of the showground with an impressive range of CASE IH family tractors.

Entries can be made via the Website: www.newarkvintagetractorshow.com

Entries are open NOW and entry on-line is Free of Charge.

Closing date for all entries will be Wednesday, 17th September 2025.

The application process is fairly straightforward, but if you do have any difficulties please let me know. Required information is: Name, Address, Telephone Number, Email address, Class to Enter (Class 18: Best David Brown in Show, Class 20: Best International in Show or Class 21: Best JI CASE in Show), Camping Pass required, Tractor Info (Year of Manufacture, Make, Model, Is it tracked?, Cab?, Steel Wheels? Implement Attached?, Do you want to be judged?, Exhibit Cards (interesting facts and details you would like the judges to know in no more than 50 words).

Please let me know if/when you have booked and I can confirm your place on the stand with Rebecca at the showground, as I am not sure if there is space on the form to say you want to be on a club stand.

Please support me/your club by helping to make this the biggest and best entry of CASE/IH machinery ever at Newark Show.

With very best wishes

Carole
